

Dear FCC, PLEASE do not weaken, or tamper with Indiana's NO CALL law. Please do NOT allow banks, or any other organization to successfully lobby to change this law. I am SO HAPPY that I am no longer subjected to telephone solictation in my Indiana home. I feel strongly that if I am in the market for a good, or a service, I will contact the vendor of my choice, on my schedule. I do NOT want to be contacted via my home (or cell) phone by ANY organization without my authorization.

Thank you!

Also (Please loosen the FCC broadcast censorship rules for FM radio. You have 'strangled' my precious Bob and Tom show!)
